Single Source Solutions: GM Nameplate is proud to offer the complete line of Windows Vista labels to help you meet all Microsoft's LLA compliance requirements.

As a MSVP preferred supplier of Microsoft branding and identification components, GM Nameplate offers premium quality products matched with an experienced and responsive staff to ensure you receive the right parts on time and at a reasonable price.

We pay attention to the details so you don't have to—from the stringent material specifications to the required production format to the necessary UL, CSA, SDOC and RoHS approvals. In fact, we provide a 100% guarantee that the labels you purchase will meet Microsoft LLA specifications. Just tell us how many, when and where. We'll take care of the rest.

The sizes and designs available are listed at left.

Custom sizes can be produced upon request. Most labels are in stock and can be shipped within 24 hours.

Also available from GM Nameplate
