

After a decade molding and decorating plastic and elastomer components in our Oregon division...

we've seen the light!

The Oregon division has discovered it's own identity—an identity that reflects the high quality, precision molding and decorating for which it is known.

**Join us for Elite Plastics' first public appearance:
MD&M West · Booth #1596**

Anaheim Convention Center · Anaheim, California
January 31st – February 2nd

To make an appointment with our representatives at the show and learn more about how Elite Plastics can help you get a quality product to market fast and cost effectively, please contact:
